(4.) Any person, being the holder of a registered charge, may at any time give notice to the Assessor of his said charge and claim to receive notice of assessment and all tax notices thereafter issued during the duration of his said charge as stated in the said notice. Such notice shall state the nature and extent of such charge and its duration, and shall give an address to which such notices may thereafter be sent.

40. (1.) Every Assessor, before returning the assessment roll, shall, with respect to each parcel of land assessed, transmit by post prepaid to the person or persons named on such assessment roll as the owner of such parcel of land, or as claiming notice under subsection (4) of section 39 hereof, at the address set out in the assessment roll, a notice showing:—

- (c.) The value at which the improvements thereon are assessed:
- (d.) The date of the sittings of the Court of Revision for the consideration of such roll, and a copy of section 42 of these Letters Patent shall be printed on such notice.

(2.) Any number of parcels of land assessed in the name of the same owner or owners may be

included in one notice. In the event that several such parcels of land shall be assessed at the same value, the notice shall be deemed sufficient if it clearly identifies the property assessed, setting it out as a block or blocks, part or parts of a block or blocks, or as a series of lots, without giving in full the legal description of each parcel.

(3.) The Assessor shall enter upon the roll, opposite the name of the person to whom the notice has been sent, the date of the transmitting of such notice.

(4.) Before returning the roll to the Clerk or to the Commissioners, as the case may be, the Assessor shall transmit by post, registered, a true copy of such notice to any person from whom he shall receive during the then current year a request in writing for such copy; provided that such request shall contain a short description covering the property in respect of which such copy may be required, and shall be accompanied by a fee of twenty-five cents for each parcel of land.

41. The Assessor shall return his roll in each year, completed, to the Clerk of the Corporation not later than the thirty-first day of December in each year, and upon returning the roll the Assessor shall make a statutory declaration which shall be subscribed and made before the said Clerk, unless he is the Assessor, and if he is, then before a Justice of the Peace, which declaration shall be in the form following, namely:—

A.D. \_\_\_\_\_."

44. The Assessor shall enter the complaints on the list in the order in which they are received by him, and the Court shall proceed with the complaints in the order, as nearly as may be, in which they are entered, but may grant an adjournment or postponement of the hearing of any complaint.

#### JURISDICTION AND PROCEEDINGS.

45. (1.) Every assessment roll shall be considered and dealt with by a Court of Revision, which shall consist of the members of the Board of Commissioners.

(2.) Every member of the Court of Revision, before entering upon his duties, shall take and subscribe before the Clerk of the municipality the following oath or affirmation:—

(3.) The powers of the Court shall be:—

(a.) To meet at the time or times appointed, and to try all complaints lodged with the Assessor as hereinbefore specified:

(c.) To direct such alterations to be made in the assessment roll as may be necessary to give effect to their decision:

(d.) To confirm the roll either with or without amendment:

(e.) Any member of the Court may issue a summons in writing to any person to attend as a witness, and any member of the Court may administer an oath to any person or witness before his evidence is taken:

(f.) No increase in the amount of assessment shall be directed until after five days' notice of the intention to direct such increase or change, and of the time and place of holding the adjourned sittings of the Court of Revision at which such increase is to be considered, shall have been given by the Assessor in the manner set out in section 40 hereof to the assessed owners of the land on which the assessments are proposed to be increased, and any party interested, or his solicitor or agent, if appearing, shall be heard by the Court of Revision.

(4.) The Court of Revision shall appoint a Chairman, who shall preside at the meetings of the Court, and who shall, unless otherwise provided by the Court, have power to call meetings and to regulate procedure.

(7.) All questions before the Court shall be decided by a majority of the members present; the Chairman shall vote as an ordinary member of the Court.

(8.) On the eighth day of February in each year the Court of Revision shall hold its first annual meeting. The Court of Revision may adjourn its sessions from day to day or from time to time, but shall complete and authenticate the roll not later

than the twenty eighth day of February following its first annual meeting.

46. If any person who has been summoned to attend the Court of Revision as a witness, and who has been tendered his actual travelling expenses and compensation for his time at the rate of two dollars per day, shall, without good and sufficient reason, fail to attend, he shall incur a penalty of twenty dollars, to be recoverable, with costs, by and to the use of any person suing for the same.

47. The Commissioners may from year to year, by resolution, appropriate sufficient funds out of their revenue to pay the expenses of the Court of Revision.

48. (1.) It shall be the duty of the Court of Revision to see that alterations be made in the assessment roll in accordance with the directions contained in the minutes of the proceedings of the Court, and after the making of such alterations to identify, confirm, and authenticate the roll by inscribing or endorsing thereon or attaching thereto a certificate, which shall be signed by a majority of the members of the Court, and which may be in the following form:—

"The within roll [or within roll as amended] is hereby confirmed by the Court of Revision of the Corporation of the Village of \_\_\_\_\_, and, except as may be amended upon further appeal, is hereby certified to be the assessment roll of the Corporation of the Village of \_\_\_\_\_ for the year \_\_\_\_\_."

(2.) If the several pages or sheets of the assessment roll be not firmly bound in a book, the Chairman of the Court shall sign his name upon each of such several pages or sheets.

#### APPEALS FROM THE COURT OF REVISION.

49. If any person be dissatisfied with the decision of the Court of Revision, he may appeal therefrom to the County Court Judge having jurisdiction within the municipality: Provided that if the County Court Judge shall himself be interested in the subject-matter of such appeal, the appeal shall lie to a Judge of the Supreme Court.

(1.) The person so appealing shall, within one week of the decision complained of, serve upon the Clerk of the Board of Commissioners a written notice of his intention to appeal, which notice shall be signed by such person or by his solicitor or an agent authorized in writing, and shall set forth the grounds of the appeal.

(2.) The Judge shall appoint a day for hearing the appeal, notice of which shall be given to the Clerk of the Board of Commissioners.

(3.) The Judge shall hear the appeal and the evidence adduced upon oath before him, at the time and place appointed, in a summary manner, and may adjourn the hearing from time to time and defer judgment thereon at pleasure; but so that all appeals may be determined within one month from the final revision by the Court of Revision of the assessment roll, and if the appeal be not decided within the time herein limited the decision of the Court of Revision shall stand.

(4.) The Clerk of the Board of Commissioners or the Assessor of the municipality shall, on any appeal from the decision of the Court of Revision, produce before the Judge, at the time and place appointed for hearing the appeal, the assessment roll and all papers and documents in his possession in any way affecting the matter.

(5.) The costs of such appeal shall be in the discretion of the presiding Judge, who shall fix the amount thereof, and order by and to whom the same shall be paid, and the payment thereof may be enforced by execution issued out of the Court upon an order of the said Judge.

(6.) There shall be an appeal from the decision of the County Court Judge to the Court of Appeal upon any point of law raised upon the hearing of the appeal by such Judge. Such appeal shall be determined and judgment given thereon within the time limited by subsection (3) hereof for the determination of an appeal, or within fourteen days from the giving of the judgment appealed from, or at the sitting of the Court of Appeal next following the pronouncement of said judgment, and for which notice of appeal can be given under the Statutes or rules governing appeals to the said Court; otherwise such judgment shall stand. The rules as to

appeals from the decisions of a Judge of the Supreme Court to the Court of Appeal shall apply to appeals under this subsection.

50. (1.) The assessment roll as confirmed by the Court of Revision and authenticated as required by section 48 shall, except in so far as the same may be further amended on appeal under the provisions of the preceding section, be valid and bind all parties concerned, notwithstanding any omission or any defect or error committed in or with regard to such roll, or any defect, error, or misstatement in any notice required, or the omission to transmit such notice; and the roll shall for all purposes be taken and held to be the assessment roll of the municipality until a new roll shall have been revised, confirmed, or passed by the Court of Revision.

(2.) It shall be the duty of the Court of Revision to see that alterations are made in the assessment roll in accordance with the opinion or directions or judgment of the Judge or Judges upon appeal as aforesaid, and after the making of such alterations to identify, confirm, and authenticate the roll as so altered and amended by initialling each change so made by the Chairman of the Court of Revision, and, if on several sheets, by the signing of each such sheet by the said Chairman and the addition of the date of such change being made.

#### RATES BY-LAW.

51. (1.) The Board of Commissioners shall, on or before the fifteenth day of March in every year, pass a by-law or by-laws for imposing upon all land and improvements, according to the assessed value thereof, a rate or rates as follows:—

(a.) To provide for the lawful purposes of the municipality a rate not to exceed twenty mills on the dollar;

(b.) The rates authorized by this section to be imposed upon improvements shall not be upon more and may, in the discretion of the Commissioners, be upon less than fifty per cent. of the assessed value thereof, or improvements may be entirely exempted from taxation;

(c.) The sum of one dollar shall be the minimum amount of taxation in any year upon any parcel of taxable land upon the assessment roll.

(2.) If at the time of the passing of such by-law any person shall have appealed under the provisions of section 49 hereof from the assessments upon any land and improvements, and the said appeal has not been entirely disposed of, nevertheless the amount of the assessment upon such lands as fixed by the Court of Revision shall stand in fixing the rate to be levied by such by-law, and the same rate shall be imposed by such by-law upon such lands or improvements. And when such appeal has been entirely disposed of and the alterations consequent upon the decision under appeal have been made, then if it shall be found that the assessment is made different by reason of such decision, the Collector shall reduce or increase the amount upon his roll to represent the amount of the assessment multiplied by the rate of taxation, and such amended amount shall be the amount of taxes deemed to have been imposed for the current year upon such lands or improvements; and if the owner has paid any amount in excess of the amount so deemed to have been imposed, the Commissioners shall make a rebate of such amount so paid in excess, and if the said owner has paid an amount less than the said amount so deemed to have been imposed, the sum shall, notwithstanding the terms of any receipt given by the Collector, be deemed to have been paid upon account only, and the balance shall be considered as taxes due and payable.

#### WHEN TAXES DUE.

52. The taxes or rates imposed or levied for any year shall be considered to have been imposed on and from the first day of January of the then current year.

#### SPECIAL LIEN FOR TAXES.

53. (1.) The taxes accrued and to accrue on any land, and the taxes accrued and to accrue on the improvements thereon, and any judgment obtained or which may be obtained with respect to such

taxes shall be a special lien on such land and on the improvements thereon, having preference over any claim, lien, privilege, or encumbrance of any party, except the Crown, and shall not require registration to preserve it.

(2.) If it shall be necessary or advisable to protect or enforce the said lien by any action or proceedings, the same may be done by order of the Court, upon application thereof, and upon such notice thereof as to a Court or to a Judge shall seem meet.

#### COLLECTION OF TAXES.

54. After the final revision of the assessment roll and the passage of a by-law under section 51 as hereinbefore set out, the Clerk or some other person appointed by the Commissioners shall make out a Collector's roll or rolls, which may be an extension of the assessment roll, in which he shall, with respect to each parcel of land upon which taxes have been imposed, set down the following information as it appears upon the assessment roll:—

- (a.) The short description of the land;
  - (b.) The name and address of the assessed owner or owners;
  - (c.) The value at which the land is assessed;
  - (d.) The value at which the improvements thereon (if taxed) are assessed.
- And shall in addition thereto set down:—
- (e.) The description of each rate imposed;
  - (f.) The total amount of taxes imposed for the current year;
  - (g.) The total amount of taxes in arrears;
  - (h.) The total amount of delinquent taxes.

55. (1.) Upon the making-out of the Collector's roll as provided in the section next preceding, the Clerk shall transmit the said roll to the Collector, who shall forthwith proceed to collect the rates or taxes therein set out.

(2.) The Collector shall accept such payments as may be tendered on account of taxes due, and the percentages thereafter to be added under section 58 hereof shall be added upon any unpaid amount only; but nothing herein contained shall affect in any way the liability of any person to make full payment, nor the liability of the lands and improvements to be sold for the amount or amounts of taxes unpaid, and the Collector shall have no power or authority to waive full payment, or to make any agreement for extension of time or postponement of the exercise of any proceedings to collect the taxes.

56. (1.) The Collector, upon receiving his Collector's roll, shall, with respect to each parcel of land upon the roll, transmit by post to or leave for every owner or his duly authorized agent, and to the person or persons claiming notice under subsection (4) of section 40, a statement showing the taxes due upon such parcel of land and upon the improvements thereon. The statements shall be tabulated as follows:—

- (a.) The short description of the land;
- (b.) The value at which the land is assessed;
- (c.) The value at which the improvements thereon are assessed (if taxed);
- (d.) The total amount of taxes imposed for the current year;
- (e.) The total amount of arrears of taxes;
- (f.) The total amount of delinquent taxes.

(2.) If any arrears of taxes are shown upon said notice, the said notice shall have printed or stamped on the face thereof, in ink of a different colour, the words: "Taxes in arrears. This property will be sold for taxes on the thirtieth day of September in the year following this notice unless the taxes be sooner paid."

(3.) If any delinquent taxes are shown upon said notice, the said notice shall have printed upon or stamped upon the face thereof, in ink of a different colour, in lieu of the words given in the last preceding subsection, the words following: "Delinquent taxes. This property will be sold for taxes on the thirtieth day of September in this year unless the taxes be sooner paid."

(4.) The notice herein provided for shall show the several rates imposed under section 51 hereof.

(5.) The notice provided for in this section, if transmitted by post, may be mailed to the address

as shown on the Collector's roll, and shall be transmitted as speedily as possible.

(6.) Any number of parcels of land assessed in the name of the same owner or owners may be included in one notice. In the event that several such parcels of land shall be assessed at the same value, the notice shall be deemed sufficient if it clearly identifies the property assessed, setting out as a block or blocks, part or parts of a block or blocks, or as a series of lots, without giving in full the legal description of each parcel.

(7.) The Collector shall transmit by post, registered, a true copy of the statement provided for in this section to every person from whom he shall have received during the then current year a request in writing for such copy: Provided that such request shall contain a description of the land in respect of which such copy may be required and shall be accompanied by a fee of twenty-five cents.

#### COLLECTOR'S RETURNS.

57. The Collector shall pay over the amounts as collected to the Treasurer at such times as may be directed by the Commissioners.

#### PERCENTAGE ADDITIONS.

58. Upon the first day of July in each year the Collector shall add to the current year's taxes unpaid on each parcel of land or improvements upon his roll ten per centum of the amount thereof, and upon the first day of October in each year shall add an additional amount of five per centum thereof, and the said unpaid taxes, together with the amounts added as aforesaid, shall from the respective dates aforesaid be deemed to be the amount of the current year's taxes due upon such lands or improvements.

#### TAXES IN ARREARS.

59. The rates and taxes on lands and improvements, together with the percentage additions in the next preceding section mentioned, which are unpaid on the thirty-first day of December of the year in which they are imposed shall be deemed taxes in arrear, and shall bear interest from said date at the rate of eight per centum per annum. Such interest shall be deemed to become part of the said arrear of taxes, and the total amount of arrears of taxes shall be deemed to be a charge upon the parcel of land or improvements in all respects as if the said percentage additions and interest had originally formed part of the taxes assessed thereon.

#### DELINQUENT TAXES.

60. (1.) All taxes on land and improvements remaining unpaid on the thirty-first day of December in the year following that in which the taxes are imposed shall be deemed to be delinquent on the said thirty-first day of December.

(2.) All taxes which become delinquent at the date mentioned in the preceding subsection shall thereafter bear interest at the rate of eight per centum per annum until paid or recovered; such added interest shall be deemed to be part of the said delinquent taxes and a charge upon the parcel of land or improvements in all respects as if the said interest had originally formed part of the taxes assessed thereon.

#### SUBDIVISIONS AND CANCELLED PLANS.

61. If any parcel of land appears on the assessment roll to have been subdivided, and any arrears of taxes or delinquent taxes appear charged upon such parcel, the Clerk or other officer, in placing such arrears or delinquent taxes upon the Collector's roll, shall apportion such arrears or delinquent taxes in the same proportion in money as the amount of assessment of each subdivided parcel bears to the total amount of such assessment, and the amount of arrears or delinquent taxes so arrived at shall be placed upon said roll as the amount of arrears or delinquent taxes against such subdivided parcel.

62. If any plan has been cancelled, the amount (if any) of arrears or delinquent taxes against any parcel of land in the plan or subdivision cancelled shall be placed upon the Collector's roll against the parcel of land in which the same is incorporated as the same appears after the cancellation of such plan.

63. In any case where the Crown in right of the Province has agreed to sell lands which are situate within the municipality on conditions of deferred payment, and in case the holders of such agreements of sale have defaulted in making payment for such lands or have abandoned such lands, and the title thereto remains in the Crown, and in case such agreement holders have made default in the payment of any municipal taxes assessed against such lands by the municipality, then in each such case the taxes assessed shall be a first charge against such lands, and the Province shall, at the time of selling such lands, pay, out of the proceeds of such sale, to the municipality entitled to receive the same the amount of the taxes: Provided that the amount so paid shall in no case exceed the amount received by the Province from such sale.

#### REMEDIES FOR NON-PAYMENT.

64. (1.) Any person whose name appears on the assessment roll of the municipality in any year as the owner of any land or improvements, or any taxable interest therein, within the municipality shall be liable to the Corporation for all taxes imposed by the Corporation upon such land or improvements during such year, and all such taxes imposed in any previous year and remaining unpaid, together with all percentage additions and interest charges.

(2.) The liability imposed by this section shall be a debt recoverable by action brought by the Corporation in any Court of competent jurisdiction; and the production of a copy of so much of the Collector's roll as refers to the taxes or rates payable by such person purporting to be certified as a true copy by the Clerk of the Corporation shall be prima facie evidence of the debt.

(3.) The liability imposed by this section shall not be enforced by action against any person whose name appears upon the assessment roll, by reason of the fact that he is an executor, administrator, or commissioner of any estate or of any deceased person, except to the extent and value of the assets of such estate or deceased person which shall have come into his hands.

#### CROWN LANDS.

65. The Collector shall not sell any land the fee of which is in the Crown, and which is held under pre-emption, lease, licence, or location, but where taxes are delinquent thereon a final demand shall be made upon the person liable for the taxes in respect thereof, and such person shall be notified in writing by the Collector that he is given six months from the date when the said taxes became delinquent in which to pay such delinquent taxes and interest thereon, together with the then current year's taxes, and that in default of payment the pre-emption record, lease, licence, or location, as the case may be, will be cancelled. Such final demand shall be made by the Collector on or before the first day of June and after the taxes have become delinquent.

66. Failing payment of the delinquent taxes and interest, together with the then current year's taxes by the pre-emptor, lessee, licensee, or locator, within the said six months, the Collector shall forward to the Minister of Lands a detailed list of all defaulting pre-emptors, lessees, licensees, or locators, and the said Minister shall at once cancel the said pre-emptions, leases, licences, or locations: Provided, however, that if good reasons can be adduced to the satisfaction of the Minister of Lands that the defaulting person, from poverty, sickness, or other causes, has been unable to pay the amount due within the time limit, he may extend the time within which payment shall be made for a further period of six months before cancellation takes effect.

67. Until the Minister of Lands has notified the Collector that cancellation has taken place, the Collector shall not cancel the amounts due upon his collection roll, and he shall continue to keep the said taxes upon his roll until such notice of cancellation is given. The Minister of Lands shall as soon as cancellation is made notify the Collector of the fact, and the Collector shall then cancel the amount due and omit from the collection roll the

property in respect of which the pre-emption, lease, licence, or location has been so cancelled.

68. (1.) Where land the fee of which is in the Crown is held by any person under an agreement to purchase, the Collector may proceed with the sale thereof as hereinafter set out; but the Collector shall sell the land subject to the interest of the Crown only, and it shall be expressly stated by the Collector at the time of sale that the interest or claim of the Crown is prior to all claims and is not affected by such sale.

(2.) The Collector shall give the purchaser a certificate under his hand describing the land sold, stating the sum for which it was sold, and that the interest or claim of the Crown is prior to all claims and is not affected by the sale, and that such sale is made by the authority and in pursuance of this section.

(3.) The Minister of Lands may accept the tax-sale purchaser as the purchaser of such land and deal with him to the exclusion of the purchaser whose interest has been sold, and of every person claiming under, by, or through him, and if the Minister accepts the tax-sale purchaser he shall notify the Collector accordingly.

(4.) In case the Minister of Lands shall not accept the tax-sale purchaser as aforesaid, or shall not have notified the Collector that he has so accepted him within six months from the date of sale, the purchaser shall be entitled to receive a refund from the municipality of the amount paid by him, with interest at the rate of eight per centum per annum, and the Collector shall forthwith replace upon his tax roll as delinquent taxes upon the land so sold as aforesaid the amount of the upset price of such lands, together with interest upon the amount paid by the purchaser at the said rate.

#### COLLECTION BY SALE OF LANDS.

69. (1.) On the thirtieth day of September in each year, at the Clerk's office in the municipality, at the hour of ten o'clock a.m., the Collector shall offer for sale by public auction all and every parcel of land and the improvements thereon, the taxes upon which are delinquent. The Collector may adjourn the sale until the same hour upon the following day, and so on from day to day until every parcel is disposed of.

(2.) The Commissioners may by by-law exempt from such sale any lands the title to which is in the Crown, and such exemption shall not operate to relieve the lands from any taxes lawfully imposed or to prejudice the right of the Collector to offer the same for sale in any succeeding year.

70. No notice or publication or advertisement of such sale shall be required, but the Commissioners may make such advertisement as they may see fit.

71. The Collector is hereby authorized and empowered to act as an auctioneer and to sell such parcels of land and the improvements thereon.

72. (1.) From the proceeds of such sale the Collector shall be authorized to receive for and to the use of the municipality the sum of the following amounts:—

- (a.) The total amount of delinquent taxes upon the land and upon the improvements thereon;
- (b.) The total amount of taxes in arrear upon such lands and improvements;
- (c.) The total amount of interest due to date;
- (d.) The amount of the current year's taxes upon such land and improvements;
- (e.) A sum equal to five per centum of the total of the foregoing;
- (f.) The sum of five dollars to cover the charges of the Land Registry Office;

which said sum shall be the upset price and shall be the lowest amount for which the land may be sold.

(2.) The highest bidder shall be the purchaser, and in the event of there being no bids over the upset price, the person bidding the upset price shall be declared the purchaser; and in the event of there being no bids equal to the upset price, or no bids, the municipality shall be declared to be the purchaser.

(3.) The Collector may at any time or times before the close of the sale again offer for sale, on

the same conditions as before, any land of which the municipality has been declared the purchaser.

(4.) If the purchaser of any parcel of land fails to pay immediately to the Collector the amount of the purchase-money, the Collector shall forthwith again put up the property for sale.

73. Every purchaser at a tax sale, other than the municipality, at the time of the sale, and before he is given the certificate of sale, shall, by himself or his agent, sign a statement setting out his full name, occupation, and post-office address, and authorizing the Collector to apply on his behalf at the proper time for registration, and such statement shall be preserved with all other books, documents, and papers connected with such sale.

74. The Collector, after selling any land at public auction as aforesaid to any person other than the municipality, shall give a certificate under his hand to the purchaser, describing the land sold, stating the sum for which it was sold, and further stating that a certificate of indefeasible title will issue to the purchaser on the expiration of one year from the date of sale unless the land be previously redeemed.

75. When the Collector sells land for taxes, he shall forthwith file with the Registrar of Titles for the district in which the land lies a separate notice in writing as to each parcel of land sold, notifying him that such land has been sold for taxes, giving the date of such sale and the name of the assessed owner, and shall along with such notice forward to the Registrar of Titles the sum of seventy-five cents to cover the cost of filing the notice and making the proper reference.

76. In the case of any land which has been purchased by the municipality as provided in section 72, and which has not been subsequently sold as therein also provided, the Board of Commissioners may, by resolution, sell such land to any person or persons for an amount not less than the upset price, together with interest at eight per centum per annum accrued in the meantime, but such sale shall not in any way affect the period allowed for redemption or the right of the owner to redeem as provided in these Letters Patent. Upon the sale of any land as aforesaid, the Board of Commissioners shall direct the Collector to give to the purchaser a certificate as provided for in section 74, with such modification as to the time for redemption as the circumstances require.

77. The Collector, within six months after the date of sale, shall give to every person who at the time of the sale appeared in the Land Registry Office records of the land registry district in which the land is situated as owner of, or as the holder of a registered charge on, or as owning an interest in the land, a notice in writing, or partly in writing and partly in print, of the sale of the land and of the day upon which the period allowed for redemption will expire, and such notice shall be sent by registered mail to such person or persons at the address as hereinafter provided:—

(a.) In the event that an address shall appear upon the assessment roll as provided in subsection (2) of section 39, notice shall be sent to such address:

(b.) In the event that no such address shall appear upon the assessment roll, the notice shall be sent to the address of the registered owner or holder of a registered charge at any address appearing on his application to be registered as such, or to the solicitor or agent of such owner or holder as shown by such application at the address given in such application:

(c.) In the event that no address is available to the Collector as set out in subsections (a) and (b) hereof, the Collector shall send the notice herein provided for to the main post-office of the Corporation, and no further liability or responsibility shall rest with the Collector or with the municipality with respect to such notice.

78. During the period allowed for redemption the land shall continue to be assessed and taxed in the name of the person who at the time when the land was offered for sale appeared upon assessment rolls as the owner thereof, and he shall be liable for the taxes accruing, and the same shall form a charge

upon the land, and if the land be redeemed the taxes accruing during the said period of redemption shall be paid along with and at the same time as the amount required for redemption; and if the purchaser at the tax sale shall deem it expedient to pay the taxes upon the said lands which become due during the period of redemption he may do so, and in that event the amount so paid by him shall be added to the amount required to redeem the land.

79. A purchaser at a tax sale shall have the right to appeal from the assessment of the property purchased by him, and to appear before the Court of Revision in support thereof, as if he were the owner of the property as recorded on the assessment roll.

#### REDEMPTION OF LAND SOLD.

80. The owner of any parcel of land which shall be sold for unpaid taxes, or any mortgagee or holder of any other registered charge, or his or their heirs, executors, administrators, successors, or assigns, or any other person on his or their or any of their behalf, or on behalf of his or their or any of their interest in the parcel of land, may at any time within one year from the date of sale redeem the land sold by paying or tendering to the Collector for the use and benefit of the purchaser or his legal representatives the sum paid by him, together with interest at eight per centum per annum, and for the use and benefit of the municipality the taxes accrued during the period allowed for redemption and remaining unpaid, and the Collector shall give to the person paying such redemption-money a receipt stating the sum paid and the object of the payment, and such receipt shall be evidence of redemption. The purchaser shall, upon redemption of the land as aforesaid, be entitled to receive from the municipality all amounts paid by him, with interest at the rate of eight per centum per annum to the date of redemption.

81. If any land sold for taxes be redeemed within the time limited for redemption, the Collector shall forthwith file with the Registrar of Titles for the district in which such land lies a separate return as to each parcel of land redeemed, certified under his hand, showing the land which has been redeemed, and shall forward along with such return the amount of seventy-five cents.

82. (1.) In the event of there having been a surplus over the upset price at the time of the said sale paid by the purchaser, and which surplus stands at the credit of the person entitled to redeem upon the books of the municipality, the Collector shall deduct the said amount so standing to the credit of the said person from the amount required by him for redemption, but without allowing interest thereon; and from the person so redeeming the Collector shall accept the amount of the upset price, together with any taxes that may have been advanced by the purchaser during the period allowed for redemption, together with interest at the rate of eight per centum per annum on the said upset price, on money advanced for taxes, and also upon the said surplus (which sums together represent the actual moneys paid by the purchaser).

(2.) In the event of there being no redemption, the said surplus shall be paid to the person who was the owner at the time of the sale, or his legal representatives, without interest, on written application therefor to the Board of Commissioners.

83. Sections 36 to 40, inclusive, of the "Land Registry Act" shall not apply to any sale of land for taxes.

84. (1.) If any land sold for taxes be not redeemed as provided herein, the Collector shall, upon the expiration of the period allowed for redemption, forward to the District Registrar of Titles a notice to such effect, which notice shall also show the full name, occupation, and address of the purchaser, and shall be accompanied by a fee of five dollars and an application on the part of the purchaser for registration, and the District Registrar shall thereupon register the purchaser as owner, and shall issue to him a certificate of indefeasible title.

(2.) One application may be made under subsection (1) hereof on behalf of any purchaser for registration together of any number of parcels of land contained in the same block, and in such case

the fee for registration of such parcels taken together shall be five dollars.

#### ACTIONS AGAINST THE MUNICIPALITY.

85. (1.) When a sale of land is made by the Collector or other officer of the municipality purporting to be a sale of land for taxes pursuant to the provisions of these Letters Patent, all rights of property therein held by the person who at the time of the sale was registered owner of the land, and all rights of property held by his heirs, executors, administrators, and assigns, shall immediately cease and determine, except in so far as herein provided:—

(a.) The land shall be subject to redemption as hereinbefore provided:

(b.) The person who at the time of the sale was owner of the land, or his heirs, executors, administrators, and assigns, shall have the right to possession of the land during the period allowed by these Letters Patent for redemption, subject to impeachment for waste:

(c.) During the period allowed for redemption action may be brought by the person who at the time of the sale was owner of the land, or by his heirs, executors, administrators, and assigns, or by any person who is the holder of a registered interest in or a registered charge upon the land, to have set aside and declared invalid the sale of the land in question upon any of the following grounds, namely:—

(i.) That the land was not liable to taxation during the year or years in which the taxes for which the land was sold were imposed:

(ii.) That the taxes for which the land was sold were fully paid:

(iii.) That irregularities existed in connection with the imposition of the taxes for which the land was sold:

(iv.) That the sale was not fairly and openly conducted:

(v.) That the Collector did not give or transmit to him the proper notice showing the date upon which the land would be sold.

(2.) No action shall be brought until one month after notice in writing has been given to the Board of Commissioners stating in detail the grounds of complaint.

(3.) During the period allowed for redemption nothing contained in this section shall operate to affect in any way the rights existing as between the owner of any land and the holder of any registered charge thereon.

86. (1.) The Court may, in giving judgment, provide that if the said sale be set aside or declared invalid for any of the reasons given in subsections (iii) and (iv) of section 85, then and in such cases the amount for which such lands were taxed on the Collector's roll at the date of sale, together with interest from the date of sale, shall be and continue to be a lien upon the lands as if the tax sale had not taken place, and shall thereafter be deemed to be delinquent taxes, or may provide for the immediate payment of such taxes, or may otherwise deal with the said taxes according to the exigencies thereof.

(2.) If during the period allowed for redemption the Board of Commissioners find any manifest error in the said sale or in the proceedings prior thereto, the Board may by resolution order that the purchase price be returned to the purchaser with interest, and that the taxes as they appeared upon the Collector's roll prior to such sale be restored to the said roll, and thereafter the same shall be deemed to be delinquent taxes, or the Commissioners may otherwise deal with the said taxes as the exigencies thereof may require.

87. (1.) After the expiration of the time allowed by these Letters Patent for redemption, no action shall be brought to recover the land sold or to set aside the sale of the land, nor shall any action be brought against the Registrar under the "Land Registry Act," nor against the Collector of Taxes in respect of the sale of such land or the issuance of a certificate of title thereto as provided in these Letters Patent, nor, except as hereinafter provided,

shall any action be brought against the municipality in respect of any loss or damage sustained by reason of the fact that the land had been sold.

(2.) The person who at the time of the sale was the owner of the land sold, or his heirs, executors, administrators, and assigns, or any person who at the time of the sale was the holder of any registered interest in or charge against such land, shall be indemnified by the municipality for any loss or damage sustained by him on account of the sale of such land under the following conditions, namely:—

(a.) If the land was not liable to be taxed during the years in which the taxes for which the land was sold were imposed:

(b.) If the taxes for which the land was sold had previously been paid:

(c.) If notice was not given as required by section 77 hereof:

Provided, however, that there shall be no right to indemnity nor compensation under this section in any case where it shall be shown that the person claiming such indemnity or compensation was aware at the time of sale that the land was offered for sale, or was aware during the period allowed for redemption that the land had been sold:

Provided further that no action shall be brought to recover indemnity or compensation under this section after the expiration of one year from the expiration of the time allowed herein for redemption of the land.

88. The registration of any person pursuant to section 84 hereof as the owner of the land and the issue to him of a certificate of indefeasible fee shall transfer to such person all rights and privileges in the nature of easements as the said land has heretofore had attached to the same as against any adjoining or adjacent premises, and shall:—

(a.) Cancel and annul any certificate of title at any time theretofore issued:

(b.) Purge and disencumber the lands of and from all the rights, title, and interest of any previous owner of said lands, or of his heirs, executors, administrators, or assigns, and of and from all claims, demands, payments, charges, liens, judgments, mortgages, or encumbrances of any nature and kind whatsoever.

Save and except, in the case of a servient tenement, the easements, privileges, or rights in the nature of easements to which the said lands have heretofore been subject.

89. The word "owner," when used in these Letters Patent in respect of any land, shall mean the person who appears by the records of the Land Registry Office to be the holder of an estate in fee simple in such land, and in the event of there being registered a life estate in such land shall include the tenant for life. In the event that there shall be registered in the Land Registry Office an agreement to sell such land by the terms of which the purchaser shall agree to pay the taxes thereon, the word "owner" shall mean the person last registered as the holder of any such agreement. In the case of lands held in the manner mentioned in sections 34 and 35, the word "owner" shall mean the holder or occupier as therein set out.
